Dear Nikhitha,

Congratulations and welcome to the University of Central Missouri! We are excited to offer you admission to the MS Computer Science program for the Fall 2024 semester.

Please continue to check your email. You may receive additional information from the program coordinator regarding your admission. In addition, you will receive more information regarding our online international orientation process.

If you are a new student, you should receive an email within 24 hours of admission with your network ID and instructions on accessing MyCentral. If you do not receive an email, and it is not in your Spam folder, please contact tsc@ucmo.edu. If you are a returning student, you will not receive that email as you have already been assigned a network ID. If you need assistance retrieving your network ID, please contact our office.

Please let us know if you have any questions about your next steps. For specific questions about the program or which courses to enroll in, please contact the program directly.

Sincerely,

International Student Services
University of Central Missouri

Reminder: You will not be able to enroll in classes until we receive all of your final official transcripts (evaluations) from all college/post-secondary institutions attended (including provisional certificates and/or diplomas for international students) that meet the GPA requirements of the University.

Dear Siva Nandini,

I am pleased to inform you of our decision regarding your application for admission to Golden Gate University.

After carefully reviewing your application materials, we are delighted to offer you admission to the Master of Science in Information Technology Management program for Fall Trimester 2024. We believe you will significantly contribute to our academic community and thrive in our dynamic learning environment.

Please review your admissions decision and additional requirements in your [GGU Account](#). You'll find important instructions on accepting your admissions offer, the deadline for submitting your enrollment deposit, and any additional required forms.

Click View under Action to access your official decision letter.

- Click the Supplemental Items and Documents tab to complete additional requirements, if necessary
- Respond to your admissions decision via the Decision History tab

If you need an F1 visa, please upload the required documents to your GGU Account under Supplemental Documents to request your Form I-20.

Once we receive all required supplemental documents and tuition deposit, we will send your I-20 to this email address. It will take up to 4 weeks to process your I-20. We kindly request refraining from follow-up emails as they slow the process; we'll ensure you're promptly informed of any significant developments. If you need a letter of support while waiting for your I-20, please send a request through your GGU Account, and we will respond within 3 – 5 business days.

International students are strongly encouraged to apply for visas well in advance, considering the possibility of extended processing times based on their home country, to ensure a smooth transition and timely arrival for their academic pursuits. Click [here](#) to check the wait times for current visa appointments.

We understand that selecting a university is an important decision, and we hope that you will choose to join us at GGU. Please do not hesitate to contact me if you have any questions or need further assistance. Once again, congratulations on your admission. We look forward to welcoming you to our campus community and supporting your academic and personal endeavors.

ESAIP commits to providing the Master of Science training programme. ESAIP reserves the right to make any necessary adjustments to the educational content to achieve the overall objective of said programme.

ARTICLE 2: EDUCATIONAL REQUIREMENTS

The student agrees to respect the timetable and to attend classes, tutorials, practicals, conferences and external visits at the prescribed times. Class attendance is compulsory, both in France and at partner universities and schools abroad.

The student undertakes to complete assigned work and to comply with the school's assessment procedures.

STUDY ORGANISATION

A specific set of study regulations is drawn up for each ESAIP programme and made available to students at the beginning of each academic year.

These regulations pertain to the following:

- Study organisation,
- Methods of assessing knowledge and skills,
- Conditions for evaluating modules and semesters,
- Requirements for obtaining the ESAIP engineering degree,
- Disciplinary matters regarding attendance and conduct.

By signing this contract, the student agrees to strictly adhere to the school's study regulations.

ARTICLE 3: FINANCIAL PROVISIONS

1. TUITION FEES

The Master of Science Cybersecurity and Data Science course is a two-year programme, for which the tuition fees amount to **€8,500** per academic year. These are liable to be adjusted upon review each September at ESAIP's discretion. This adjustment, performed in the first year of the contract in September, is based on the latest "Higher Education CPI (Consumer Price Index) of INSEE, the *Institut National de la Statistique et des Etudes Economiques* [National Institute of Statistics and Economic Studies] — under the Code 1763780 (available on the website <http://www.bdm.insee.fr>).

Tuition fees include the organisation of all aspects of the Master of Science Cybersecurity and Data Science programme, both in France and abroad, as well as registration fees for ESAIP's partner universities and engineering schools.

The student will, however, be responsible for all other costs associated with organising their study abroad (transport, technical documentation, accommodation, meals, potential contributions to foreign university services, as well as language exam participation fees).

Loire region). Accordingly, depending on the student's course of study and personal goals, ESAIP will assist in preparing applications and taking the necessary steps toward enabling them to benefit from community and regional grants for study and work placements abroad. However, ESAIP shall not be held liable for the outcome of these procedures since they depend on factors beyond their control, such as the timely submission of required documents by the student, and the final decision of the relevant funding bodies.

It should be noted that the student's tuition fees do not cover the entire cost of the ESAIP programme. ESAIP receives financial support from the State, local and regional authorities, and from partner companies, particularly through Apprenticeship Tax. In the event of Force Majeure (*notably in the case of a partial or total withdrawal of State/authorities funding*), ESAIP may increase the following year's tuition fees by a maximum of €600. ESAIP undertakes to notify the student in June of the current year in the event of any such decision. Tuition fees for the current year will remain unchanged.

Additional Fees:

Additional fees related to life on campus, shared resources, etc. amount to **€150** per academic year.

2. METHOD OF PAYMENT

The **total tuition fees** thus amount to **€8,650** (tuition fees + additional fees).

Please specify below your chosen method of payment for the above total amount:

Direct Debit Credit Card

If paying via Direct Debit, please complete the attached SEPA mandate.

If paying via Credit Card, please use the following link: <https://jepaieenligne.systempay.fr/ESAIP>

- **FOR THE FIRST YEAR OF STUDY (CLASS OF 2027)**

A deposit of **€6,000** is required upon signing the contract. This can be paid by cheque, credit card or bank transfer.

The balance of the fees are to be paid according to the following schedule:

€650 on 20 March 2025

€500 from 20 April to 20 July 2025

- **FOR THE SECOND YEAR OF STUDY (CLASS OF 2027)**

The payment schedule will be as follows:

€1150 on 20 March 2026

€1500 from 20 April to 20 August 2026

For any financial queries, please contact Mrs Blanchard at cblanchard@esaip.org

ARTICLE 4: RIGHT OF WITHDRAWAL/CANCELLATION

From the date of signature of this two-year training contract, the student has a **legal withdrawal period** of 10 days according to the French Labour Code (*art. L920.13, al.5 du Code du Travail*). Should they choose to withdraw, they must notify ESAIP via a registered letter with acknowledgement of receipt. Upon receipt of this letter, ESAIP will refund the €6,000 deposit within a maximum period of 3 months.

In the event that the student fails to obtain the prerequisite Bachelor's Degree (the equivalent of the French "BAC+ 3", pertaining to the following courses: *BTS, DUT, L2*), their **enrolment will be cancelled** and the €6,000 deposit refunded within a maximum period of 3 months. This clause does not apply to students having completed the Classes Préparatoires aux Grandes Ecoles (French preparatory classes for competitive admission into prestigious graduate engineering schools) and the contract remains in effect.

In both of the above cases, administrative fees are non-refundable.

ARTICLE 5: TERMINATION CONDITIONS

1. TERMINATION INITIATED BY THE STUDENT

The present contract may be terminated under the following conditions:

- Force Majeure:

In the event that the student is prevented from continuing the programme due to a duly recognised force majeure, they may initiate the contract termination process. In this case, only the services already provided will be charged according to a pro-rata value, as stipulated in the contract (*L 920-13, al.5 C. Travail*). The student will be requested to provide a document justifying said force majeure.

- Visa Refusal:

The student is required to send a copy of their visa refusal document to Mrs Marine LALANDE at mlalande@esaip.org. ESAIP will then reply with a document to be completed and returned by the student, with their bank account details included (bank identity document/bank statement showing your IBAN and BIC/SWIFT code)

A handling fee of €200 will be deducted from the student's initial deposit.

The refund will be processed within 3 months of receiving all the required documents.

- Voluntary termination for personal reasons:

Any request for voluntary termination of the programme is to be addressed to the Managing Director via a registered letter. (Emails alone will not suffice.)

Specific conditions regarding voluntary termination:

- A. Prior to the start of the first academic year: the €6,000 deposit will be retained by ESAIP
- B. Between two academic years: the first semester of the second year will be charged.

Please be advised that if the Managing Director does not receive a registered letter requesting termination, ESAIP will be obliged to charge the full amount of the contract, thus the balance thereof will be due.

In the event of non-payment, ESAIP's debt collection agency (the CTDA) may be invited to resolve the matter.

2. TERMINATION INITIATED BY ESAIP

The training contract may be terminated by decision of the Disciplinary Board. If such is the case, any commenced academic year is payable in full.

In the event of any direct debit opposition or insufficient funds (not promptly compensated for by any other means of payment), the student will receive a formal reminder of the terms specified in the present contract. If the outstanding amount fails to be settled within eight days of the said reminder, ESAIP's debt collection agency (the CTDA) will initiate a recovery procedure.

At the end of the academic year, if the fees for the current year remain unpaid, the training contract will be suspended by ESAIP until such time as the outstanding amounts are recovered.

ARTICLE 6: DISCIPLINARY RULES

The student agrees to abide by ESAIP's general policies and procedures, and adhere to the internal rules and regulations (attached), which are to be signed and returned along with the present contract.

The present training contract and the internal regulations are provided to the student in duplicate. One copy of each document must be duly completed, signed and returned to ESAIP, and the remaining copies are to be preserved by the student.

Internal Rules and Regulations

Article 1

SCOPE OF APPLICATION

1. The provisions of these rules and regulations apply both within the establishment itself and in any ancillary premises and areas of **ESAIP** (park, accommodation, etc.).
2. A copy of these rules and regulations is on display within the establishment.
3. These rules and regulations are brought to the attention of students upon entry into the programme, and apply to all ESAIP students.

Article 2

A. SAFETY REQUIREMENTS

1. As concerns safety, all students must strictly comply with both the general regulations and specific instructions that are brought to their attention via posters, instructions, memoranda, or any other means.
2. Any incident or accident, however minor, must immediately be reported to management by the victim or witnesses.
3. All students must strictly adhere to fire safety and prevention instructions. These instructions are displayed in every building.
4. **ESAIP** shall not be held liable for loss, theft or damage of personal belongings caused by a third party.

Students are thus advised to take all necessary precautions to safeguard their possessions.

B. HEALTH AND WELL-BEING

1. As concerns health and well-being, all students must strictly comply with both general regulations and specific instructions that are brought to their attention via posters, instructions, memoranda, or any other means.
2. The consumption of non-alcoholic beverages and food is permitted exclusively in the designated areas.
3. Smoking is strictly prohibited inside all buildings, and only permitted in the outside designated smoking areas.
4. Alcohol and all illegal substances are strictly prohibited on the premises, including possession, consumption and distribution (whether free of charge or not). Concerning the consumption of alcohol, permission may exceptionally be granted by management for special events.
5. Entering the premises while under the influence of alcohol or any illegal substances is strictly prohibited.

Article 3

A: ATTENDANCE

1. Students are required to respect all class times established by management. Timetables are displayed weekly both in poster form and on the Portail Pédagogique (Teaching Portal).

Attendance at classes is compulsory.

An attendance record is kept for each class, noting the presence/absence/tardiness of each student.

Students are informed of this attendance record procedure, as well as possible penalties for non-compliance, at the beginning of each academic term and upon any amendments to the procedure.

Attendance at tests and examinations is compulsory.

Any absence from a test and/or examination will be penalised, resulting in a score of zero.

B: CAMPUS CONDUCT AND FUNCTIONING

1. All students must adopt an appearance, behaviour and attitude that respect the liberty and dignity of all.
2. Students agree to exclusively use the designated pathways and routes reserved for their benefit.
3. Students are to refrain from damaging the premises or any equipment therein made available to them during their studies, and shall endeavour to keep them in good condition.
4. Students will not use the premises and equipment made available to them for purposes other than their intended use, particularly for personal use without prior authorisation.
5. Students agree to read, sign and strictly adhere to the terms laid out in the IT Charter.
6. At the end of their course, students must return all equipment and documents in their possession belonging to the school.
7. For each cohort, student representation is ensured by the simultaneous election of one primary delegate and one substitute delegate.

École d'Ingénieurs

Campus Méditerranée - 851, allée de Pomone, Vert Pomone - Bâtiments B & C - 13090 Aix-en-Provence
Campus Ouest - 18, rue du 8 mai 1945 - CS 80022 - 49180 Saint-Barthélemy d'Anjou Cedex

Delegates are tasked with making suggestions on behalf of students as to improving the way courses are run and the living conditions on the **ESAIP** campus.

Delegates are elected via a two-round voting system. Delegates are elected for a term of one year. All students are eligible to vote and stand for election.

The election takes place during class hours, at the beginning of the academic year.

The Managing Director of the institution, or their representative, is responsible for organising the election and ensuring correct procedure.

In the event that, for any reason whatsoever, the delegate's duties should cease before the end of the academic year (e.g., resignation or removal for disciplinary reasons), a new election will be held per the conditions outlined above.

Article 4

INFRINGEMENT

In the event of an infringement of the Internal Rules and Regulations outlined herein, **ESAIP's** management (the Managing Director or their representative) has full discretion to impose any sanctions they see fit, to be determined in terms of gravity and recurrence of the offence. Possible sanctions include, but are not limited to: a formal reprimand, removal from an elected position (e.g., delegate), a verbal or written warning, temporary suspension and permanent expulsion.

Where possible, a meeting between the Managing Director and the student concerned will be arranged prior to the final decision regarding any disciplinary sanctions.

Disciplinary Committee Procedures

Committee Composition:

- The Managing Director and the Director of Studies, or one of their representatives,
- The Course Director, or their representative
- A member of the teaching staff designated by the Director of Studies.

The student will receive a summons to appear before the Disciplinary Committee with a minimum of 48 hours' notice, and may be accompanied by a fellow student of their choosing.

Hearing Procedure:

- Presentation of the case file by the Chair,
- Testimony of the student,
- Deliberation of the Committee,
- Vote with absolute majority decision,
- Verbal communication of the decision to the student.

Within a week of the hearing, the Committee decision will be sent to the student via registered letter, and a copy sent to their parents (where applicable).

Dear Bhargavi,

Thank you for submitting your deposit for the Master of Science program in Information Technology at Montclair State University. We are proud to officially welcome you into the program as a new student beginning Spring 2025.

Now that you have officially confirmed your intention to enroll, our website will provide you with important information regarding registration, advising, and academic policies related to graduate students. It will also provide you with detailed information regarding the next steps you need to take as a new graduate student at Montclair State University.

For steps that require your NetID and CWID and PIN, see below:

Your NetID: surapanenib1

Your CWID: 50135656

Your PIN: Your 6-digit date of birth. For example, 071275 for July 12, 1975.

** Note: If you are/were a student at Montclair State University, you may still need to use your old PIN. After you activate your NetID, you must set up your Duo Multi-factor Authentication (MFA). Learn more about Duo.*

On behalf of the faculty and staff of Montclair State University, please accept my warmest congratulations.

Sincerely,

Timothy Hart

OFFER LETTER

Dear Miss Jahnvi Ratna Annaladasu,

Welcome to the University of East London!

We are delighted to confirm your **unconditional place** on the MSc Artificial Intelligence (with Industrial Placement) as outlined below.

Course:	MSc Artificial Intelligence (with Industrial Placement)
Entry Year:	1
Mode of Attendance:	Full time
Start Date:	15 January 2025
Expected completion date:	22 January 2027
Tuition Fee for 2024/5 academic year:	£15960

Please note that this offer relates only to your academic suitability for this course. As per our [Admissions Policy](#), if you have any relevant unspent convictions you must declare these. You can do so by completing this [form](#).

If you have previously lived or studied in the UK, you will be required to provide us with full information and relevant documentation about these studies if you have not already done so. We will confirm if we are able to support a student visa application.

About the placement year - 2 academic semesters

The placement component is up to an academic year, 2 academic semesters, in duration, which starts after you have successfully completed the taught modules, and before the dissertation stage. A tuition fee is applicable for the placement year.

It is ultimately the student's responsibility to secure their placement. The University will offer guidance and support and recommend students to many of our internal and external partners that have expressed strong support and interest in the programme.

For essential information about the placement element of your course please refer to the Placement FAQs section here [Work while you study|University of East London](#)

Tuition Fee for academic year 2025/6 is £3500.00. Please note that this fee is subject to yearly inflationary rises and may have increased when you enrol for academic year 2025/6.

Next Steps:

1. Accept your offer
2. Pay deposit
3. Provide details of previous immigration history for the UK and other countries for assessment and submit any required maintenance documents and UKVI approved Tuberculosis certificate (if applicable) via CAS Shield
4. CAS issued
5. Enrol online – Details will be sent to you when our Enrolment period opens

Accept your offer:

Please use the [Applicant Portal](#) and the **Respond to Offer** button to accept your offer.

Deposit Structure

1. Pre CAS Checks - £1500
2. CAS issuance - £7980
3. Enrolment - £11970
4. The balance of £3990 must be paid in full by 31 March 2025

Your pre CAS deposit of £1500 must be paid by the deadline outlined at [International Admissions Deadlines to confirm your place](#). Please make your payment or provide evidence of sponsorship in the [Applicant Portal](#) using the **International Checks** button followed by the **Deposit/Payment** button.

Please note that the tuition fee deposit is non-refundable except where your student visa application has been unsuccessful and this is supported by verifiable evidence or you do not pass the University pre CAS checks.

Early Payment Discount

If cleared funds are received by the University on or before 6 January 2025 you will receive a 5% early payment discount, lowering your fees to £15162

Once your deposit payment has cleared in the University's bank account you will be required to pass our pre CAS checks (see below) in order for a CAS to be issued.

Pre CAS and Maintenance checks

You will be required to provide documents to demonstrate that you meet the UK Visas and Immigration (UKVI) student visa maintenance requirements and to undergo a satisfactory pre CAS interview by our International Compliance Team. During the interview you will be expected to demonstrate adequate English language ability and genuine eligibility to study on a student visa. Please ensure your answers are well researched, accurate, detailed and supported with facts and figures.

Maintenance documents

- You can demonstrate you have the available funds for your student visa application in the form of either a bank statement, financial sponsorship letter or loan letter.
- You will need to demonstrate you have sufficient money to pay any remaining tuition fees (if you do not make full payment to the University) and at least £12006 for living expenses (£1334 per month of the course, up to a maximum of 9 months)

The International Student Advice (ISA) team at UEL are here to provide guidance and support for applicants with the Student visa application process. You can find details about the team and more information regarding the Student visa application on our [website](#).
