

## 7.3.1 Portray the performance of the Institution in one area distinctive to its priority and thrust

Empowering women through education stands as a pillar for sustainable development and societal advancement.

STRI SAPHALYA, an initiative rooted in the principle of "Educate a Woman, Empower a Woman" "Empower Humanity, Empower the Nation" exemplifies this vision by advocating for women's education, ultimately driving nation-building. SHRI SAPHALYA'S mission is straightforward but powerful: to provide education to women, enabling them to become agents of change within their communities and the nation. By focusing on holistic development, the initiative seeks to equip women with the necessary skills, knowledge, and confidence to contribute effectively to society.

1. Educational Programs: SHRI SAPHALYA conducts a range of educational programs, including basic literacy classes, vocational training, and higher education scholarships. These programs are designed to cater to women from diverse backgrounds and age groups, ensuring inclusivity.
2. Skill Development Workshops: Through workshops on skills like tailoring, handicrafts, and digital literacy, SHRI SAPHALYA aims to provide women with practical skills that can enhance their economic independence.
3. Awareness Campaigns: Regular campaigns are conducted to raise awareness about the importance of women's education and gender equality. These campaigns often involve community leaders and local influencers to broaden the impact.

### Outcomes through SHRI SAPHALYA

1. Enhanced Literacy Rates: The initiative has significantly contributed to increasing literacy rates among women in the targeted regions. This improvement in literacy levels has a cascading effect on the socio-economic development of the communities.
2. Economic Empowerment: Women who have undergone skill development programs report higher employability and income levels, leading to better standards of living for their families.
3. Societal Transformation: Educated and empowered women are more likely to participate in decision-making processes, both within their households and the broader community. This shift fosters a more inclusive and equitable society.
4. Reduction in Gender Disparities: By providing equal educational opportunities, Shri Saphalya is helping to bridge the gender gap in education and employment, promoting gender equity and social justice.

### Conclusion

SHRI SAPHALYA'S dedication to educating and empowering women demonstrates that gender equity is not just a women's issue but a societal one. By fostering educated, empowered women, the initiative contributes to building a more robust and progressive nation. Through its comprehensive approach, SHRI SAPHALYA aligns perfectly for women empowerment which is essential for sustainable development and nation-building.

### INTERNATIONAL WOMENS DAY

Dr.V. Raghava Lakshmi, The HoD ( FED) and all the department Hods has hosted the session and delivered her speech and stated that International Women's Day stands as a testament to resilience, achievements and ongoing struggles for gender equality and women's empowerment .Students are given an opportunity to raise their voice for equality, for their rights for peace and justice for all. They fight to leave a better world behind them for all the people and for our shared planet. On International women's Day we elevate students voice.

Finally, the session is concluded by the prize distribution. The prizes are awarded by Dr.G. Chenchamma, Principal of Vijaya Institute of Technology for women and the club members.

## Report on "GradEd Day" at Kanuru Parishad Adarsha Pradamika Patasala

### Objective:

The primary objective of "GradEd Day" was to inspire and educate school students by leveraging the knowledge and experiences of college graduates. The initiative aimed to provide students with fresh perspectives on their subjects and motivate them towards academic excellence.

### Schedule:

1. Introduction and Ice-Breaking Session
  - Introduction of college graduates and their educational backgrounds.
  - Brief overview of the day's agenda.
  - Ice-breaking activities to create a comfortable learning environment.
2. Interactive Teaching Sessions :
  - College graduates conducted sessions on various topics, using interactive methods such as presentations, quizzes, and hands-on activities.
  - Subjects covered included Mathematics, Science, and English, with a focus on real-life applications and relatable examples.
3. Group Activities and Workshops
  - Group activities were conducted to encourage teamwork, critical thinking, and creativity.
  - Workshops included practical experiments, creative writing exercises, and problem-solving tasks.
4. Feedback Session and Conclusion
  - Students were encouraged to provide feedback on the sessions.
  - College graduates shared their experiences and learning's from the day.
  - Certificates of participation were distributed to students and college graduates.

### Outcomes:

- Enhanced Understanding: Students gained a deeper understanding of various subjects through engaging and interactive sessions.
- Inspiration: College graduates served as role models, inspiring students to pursue higher education and academic excellence.
- Skill Development: The activities and workshops helped students develop skills such as teamwork, critical thinking, and creativity.
