Vijaya institute of technology for women has organized GATE Coaching from 20-02-2023 to 25-02-2023. The program was organized by the department of ECE to provide basics on the preparation for the GATE exam for III B.Tech ECE Students.

The benefits of the program include:

- To create awareness among the students regarding GATE examination.
- To support the students by providing necessary information about marks weightage.
- To cover the essential topics required for Electronic Devices and Circuits and Switching theory and Logic Design which is important for GATE examination.

### PROGRAM OUTCOMES:

After the completion of this session, students will be able to

- Understand and analyse the static and dynamic characteristics of diodes and its applications.
- Analyse the operation of BJT and FET and its applications.
- Design different types of application circuits, amplifier circuits using BJT and FET.
- Solve a typical number base conversion and analyse new error coding techniques.
- Optimize logic gates for digital circuits using K-map and Tabular method techniques.
- Understand the concepts of various combinational circuits.
- Develop advanced sequential circuits.
