Memorandum of Understanding (MOU) for Project Oorja

This Memorandum of Understanding is made this day of March, 2023 with
Vijaya Institute of Technology for Women and VOICE 4 Girls.

*Whereas Vijaya Institute of Technology for Women desires to be part of
Project Oorja for selected qualified students.*

*Whereas, VOICE 4 Girls and Vijaya Institute of Technology for Women
recognize the need to empower young women with knowledge and skills to help
them realize their potential, become future ready, and transform into
changemakers and leaders of tomorrow, and both parties desire to cooperate in
implementing Project Oorja;*

*Now, therefore, this Memorandum of Understanding establishes the
following guidelines for Project Oorja and defines the responsibilities of each
Vijaya Institute of Technology for Women & VOICE 4 Girls.*

Background

According to a recent study published by the Hindustan Times (May 2018), India has about 253 million young people. Is India giving the right opportunities to its future generations, especially its vast young female population? The answer is a resounding no, as statistics show that India has a very poor work participation rate where female labor comprises only 27% of the labor force compared to 79% for males, proving that India is still lagging behind the G20 countries in work participation. Through Project Oorja, VOICE seeks to empower young women with knowledge and skills to help them realize their potential, become future ready, and transform into changemakers and leaders of tomorrow!

Objective of MOU - Project Oorja

Project Oorja is a vehicle to empower women to overcome systemic inequalities. Considering these young women are poised to enter professional spaces as well as mark personal milestones, Project Oorja provides them with critical information about their health, safety, rights, future planning, and self-awareness. Furthermore, it equips these women to be future-ready, enabling them to take charge of their careers and lives, thus emerging as role models and change makers within their own communities. The project aims to empower 250 young women by imparting critical knowledge, skills required for the future, thereby making them job ready in the market.

VOICE 4 Girls and Vijaya Institute of Technology for Women aims to enable marginalized young women in India to take charge of their futures through the following components:

- 1) Understanding self: Understanding and being comfortable with oneself is the first step towards empowerment.
- 2) Future Readiness: To be ready to step into the world of professionalism, acquiring communication and leadership skills becomes the next step.
- 3) Field Immersion: Participants will use the knowledge base they build through the camp to take charge in their communities.

Program Time Period

The program will commence on 13th March and will continue till 21st March 2023.

Implementation model

VOICE will hire and train trainers who can impart curriculum to the young women. The Oorja module consists of critical knowledge (which includes menstrual health and hygiene, Sexual and Reproductive health, Violence, Gender roles) and skills (which includes resume writing, problem solving, communication skills, preparation for the interview, leadership, and presentation skills).

.VOICE will also conduct needs assessment to understand the skills required for the young women and bring in experts from the specific field.

Curriculum Details

The curriculum consists of two modules:

Module 1

Understanding self: Menstrual health and hygiene, mental health, sexual and reproductive health, marriage and family planning, financial planning, violence and gender roles and discrimination.

Future readiness: Resume and Interview, communication skills, problem solving, public speaking, and leadership, Career mapping, future- readiness (building a good resume, interpersonal skills, presentation and interviewing skills)

Agency:

Leadership – How to lead and work with teams

Taking action – Taking measures for being safe and healthy

Gender ambassador - Be aware of gender and how it affects

VIJAYA INSTITUTE OF TECHNOLOGY FOR WOMEN(VITW)

This MoU is entered into on the day of 4th, JUNE 2021 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada(hereinafter called NRI and Vijaya Institute of Technology for WomenVijayawada Andhra Pradesh, India

(Hereinafter called VITW), an Engineering college affiliated to Jawaharlal Nehru Technological University, Ananthapur. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in

The institution oriented towards the cause of need-based education, aiming at optimum growth, have been delivering various foundation courses, certificate courses and career oriented UGC sponsored add-on courses have contributed towards enriching the curriculum.

In twelve years of its existence the college carved a niche for itself by providing holistic development of our students imbibed by values by its academic environment, student support services, Mentorship programmes, Placement assistance, and Outreach programmes - with excellent infrastructure facilities.

The college had facilitated the formation of an ED-Cell to ignite the spirit of entrepreneurship in students, by giving them the requisite skills, knowledge and competencies. This centre plans to conduct workshops, training programmes, hands on experience in collaboration with industry and government organizations.

Objectives of MoU:

1. To promote & enhance academic interest between VIET and VITW.
2. To provide advice for implementation of quality of education between VIET and VITW.
3. To promote research/continuing education activities between parties.
4. Access to Information on research / education resources and academic know how
5. Access to Centers of Excellence of the college
6. Technical support in projects related to science and management from senior faculty or experts
7. Guidance for specific issues in terms of R&D, Project design and development etc. from the senior faculty or experts
8. On boarding potential faculty who would be the mentors to support boot camps, Technology Readiness Level (TRL) activities for prototyping, guide startups on pro bono basis
9. To refer or depute faculty or Resource persons for specific programs as speakers.

Technical areas of collaboration:

- A. A continuing quality improvement programme to improve quality of teaching staff in both parties.
- B. Providing academic interaction by delivering special lectures at both institutes on topics of relevance to modern industry.

This MoU is entered into on the day of 3rd, JUNE 2020 between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada (hereinafter called NRI and Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India

(Hereinafter called VITW), an Engineering college affiliated to Jawaharlal Nehru Technological University, Ananthapur. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in

This MoU is entered into on the day of 10th, **JUNE, 2019** between NRI Institute of Technology (Autonomous) situated at Pothavarappadu, and Vijayawada(hereinafter called NRI and Vijaya Institute of Technology for Women Vijayawada Andhra Pradesh, India

(Hereinafter called VITW), an Engineering college affiliated to Jawaharlal Nehru Technological University, Ananthapur. The aforesaid institutions are hereinafter referred to individually as institute and collectively as institutes. Sri Durga Malleswara Educational Society was established in 2007 with the objective of reaching the zenith in the field of education. NRI College of Pharmacy, started in 2007 and NRI Institute of Technology, started in 2008 are the result of such sincere and dedicated efforts and stern determination of the founders of the society. NRI Institute of Technology is an AICTE approved Institution affiliated to the JNTUK which functions as a private self-financing institution to cater to the needs of juvenile aspirants in and around Vijayawada. The promoters of NRIIT started the college with a vision to empower the students with vibrant technology, sensitively matured and innovative to face the challenges of real time global experiences. The founders are socially conscious and continuously responding to the needs and requirements of the region, to uplift the region and to promote educational facilities by establishing schools, to promote games and sports activities in the region, help the poor and improve their health standards by organizing free medical camps etc., Since the day of inception, NRIIT has been growing at a credible but steady pace for an educational institution of its kind. Both NRIIT and NRI College of Pharmacy have been taking a place of pride every year JNTUK results are announced. NRI College of Pharmacy had recently added a feather to the crown of the Society by successfully placing its first outgoing batch of dynamic young pharmacists in

WHEREAS:

The new state of Andhra Pradesh has come into existence after bifurcation of the erstwhile combined state of Andhra Pradesh in June-2014. In the process of fulfilling its commitment for formation of a modern State, the State has initiated its endeavors, primarily on infrastructure building and rapid industrialization. To support this initiative, Government of Andhra Pradesh (GoAP) has identified manufacturing as a key area and is establishing clusters to nurture growth in vital sectors like Auto and Electronics by setting-up industrial corridors, Special Economic Zones (SEZs) etc.,. The immediate necessity for industrialization is the manpower development. In the process of industrialization and infrastructure building, it is obligatory on the part of GoAP to simultaneously develop a large pool of skilled manpower to cater to the needs of the industry and service sectors. In this endeavor, the State has earnestly decided to address the skill shortage which is much projected by the user Industry. The initiative of Statewide high priority for skill development shall also ensure up-gradation of skills. The sectors with largest manpower requirement in the coming years will be Manufacturing, Construction, Hospitality, Banking, Financial Services and Insurance and Information Technology/IT enabled services.

Eventually, the Skill Development has occupied the key focus area of GoAP. The process of developing large pool of skilled manpower has been envisaged in partnership with industry to make the skill development mission more industry relevant and self-sustainable. In the process of achieving these goals, the GoAP has incorporated APSSDC as a special corporate which shall strive for the appropriate and demand driven Skill Development.

APSSDC in its several meetings has discussed and decided to achieve the goal of skill development with participative approach of the stakeholders' viz. the Government, Industry, academic institutions, youth and all other stakeholders. This participative approach will go a long way in accomplishing the task in economical, appropriate proportions with relevance in the shortest period. The APSSDC would provide the extra infrastructural requirements in selected academic institutions. In this process, the APSSDC has selected some of the leading Engineering Colleges/Govt. Polytechnics/Industry associated training institutions for providing the infrastructural facilities additionally required for running the Skill Development programs.

The APSSDC and Vijaya Inst of Technology (Women) which is selected for CM's Skill Excellence Center (SEC): ICT Lab have mutually discussed and agreed to enter into this agreement as detailed hereinafter.

8. CONFIDENTIAL INFORMATION

Each Party may disclose Confidential Information:

- a) to the extent to which it is required to be disclosed pursuant to Applicable Law;
- b) to the extent to which it is specifically permitted by the other Party in writing;
- c) to the extent that the Confidential Information is publicly available and
- d) to its employees and professional advisors, but only to the extent necessary and subject to such employees and professional advisors accepting an equivalent confidentiality obligation to that set out in this Clause Confidentiality.

9. LIMITATION OF LIABILITY

Except as agreed and provided under this Agreement, neither of the Parties shall be liable to bear or pay any damages arising out of loss of income, loss of profit, special, incidental, indirect, punitive, exemplary or consequential, to any party including third parties, and all such damages are expressly disclaimed.

10. DISPUTE RESOLUTION

The Parties shall endeavour to resolve all or any dispute or difference arising out of or in connection with this Agreement, amicably within 30 days of notice in writing being issued by the non-defaulting party to the defaulting party indicating such dispute or difference. In case no amicable solution is arrived between the Parties within the said 30 days, then such dispute/s shall be settled through Arbitration as per the provisions of the Arbitration and Conciliation Act, 1996 as amended from time to time. The arbitration shall be done by Sole Arbitrator appointed by APSSDC. The written award of the Arbitrator shall be final and binding on all the Parties. The seat and venue for the arbitration proceedings shall be at Vijayawada, Andhra Pradesh.

11. FORCE MAJEURE

If the performance of any part of this Agreement by parties is prevented or delayed by acts of civil or military authority, flood, fire, epidemic, war or riot, or other acts beyond the reasonable control of either party, the party affected shall be excused from such performance only during the continuance of any such event.

Where a Party is claiming suspension of its obligations on account of Force Majeure, it shall promptly, but in no case later than five (5) days after the occurrence of the event of Force Majeure, notify the other Party in writing giving full particulars of the Force Majeure, the estimated duration thereof, the obligations affected and the reasons for its suspension.

The Party asserting the claim of Force Majeure shall have the burden of proving that the circumstances constitute valid grounds of Force Majeure under this clause and that such Party has exercised reasonable diligence and efforts to remedy the cause of any alleged Force Majeure. If the parties are unable in good faith agree that a Force Majeure event has occurred, the Parties shall submit the dispute for resolution pursuant to clause 10 hereof provided that the burden of proof as to whether a Force Majeure event has occurred shall be upon the Party claiming a Force Majeure event.

The Agreement is executed on this _____ day of _____ 2019 (Effective Date) by and between,

Andhra Pradesh State Skill Development Corporation, having its Corporate Office at D.No.78/2, G&J Infra Infosight Building, Near Pathuru Junction, Tadepalli - 522501 herein referred to as "APSSDC" (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) represented by its Authorized Signatory of the first part;

And

VIJAYA INSTITUTE OF TECHNOLOGY having its corporate office at **Vijaya College Road, Enikepadu, Vijayawada, Krishna, Andhra Pradesh 521108** herein after called **VITW, Enikepadu** (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) represented by the **CHAIRMAN** of the second part;

APSSDC and College shall herein after be collectively referred to as Parties and individually as first/second Party.

WHEREAS:

APSSDC is a unique organization formed as a public private partnership (PPP) corporation to promote skill-development & entrepreneurship in the state of Andhra Pradesh. APSSDC is the Executive Agency for the Department of Skill Development, Entrepreneurship and Innovation, Govt. of Andhra Pradesh (GoAP) serving the important task of providing high quality skilled manpower as part of the Knowledge and Skills Mission of GoAP. The main objective of the Corporation is to implement a structured and pragmatic solution to skill & upskill the workforce in the State of Andhra Pradesh and to increase employability and promote entrepreneurship in sync with Industrial growth of the State. The process of developing large pool of skilled manpower has been envisaged in partnership with industry to make the skill development mission more industry relevant and self-sustainable. In the process of achieving these goals, the GoAP has
