• Purpose

This Memorandum of Understanding (MOU) establishes a collaborative partnership between Fopple Drone Tech Pvt. Ltd., a company specializing in drone technology, and Vijaya Institute of Technology for Women (VITW), an educational institution dedicated to empowering women engineers. The objective is to promote educational and technological advancements through joint initiatives, research, and training programs.

• Roles and Responsibilities

Fopple Drone Tech. agrees to:

- Provide technical support and expertise in drone technology.
- Offer internship and project opportunities to VITW students.
- Assist in curriculum development and enhancement.
- Conduct workshops and training sessions for students and faculty.

VITW agrees to:

- Facilitate the participation of students and faculty in joint initiatives.
- Provide necessary infrastructure and resources for conducting training programs and workshops.

- Incorporate relevant drone technology modules into the curriculum.
- Encourage students to participate in internships and research projects offered by Fopple Drone Tech Pvt. Ltd.

- **Course Details**

Fopple Drone Tech Pvt. Ltd. will provide specialized courses on drone technology, including but not limited to:

- **Introduction to Drone Technology**
- **Drone Design and Fabrication**
- **Drone Navigation and Control Systems**
- **Applications of Drones in Various Industries**
- **Drone Maintenance and Troubleshooting**

These courses will be structured to provide both theoretical knowledge and practical experience. Students will receive certifications upon successful completion of the courses.

- **Placement Assistance**

Fopple Drone Tech Pvt. Ltd. will assist in placing students who have successfully completed the courses and internships in relevant industries. Placement assistance will include:

- Resume building and interview preparation workshops
- Connecting students with potential employers in drone-related industries
- Providing job alerts and career counseling

- **Value-Added Services**

In addition to the core training programs, Fopple Drone Tech Pvt. Ltd. will offer the following value-added services:

- Guest lectures by industry experts
- Access to drone simulation software and tools
- Participation in national and international drone competitions
- Assistance in student-led projects and research papers

- **Term and Termination**

This MOU will be effective from the date of signing and will remain in effect for a period of five (5) years. It may be renewed upon mutual agreement by both parties.

Either party may terminate this MOU by providing a written notice of termination at least thirty (30) days in advance. In the event of termination, both parties agree to complete any ongoing projects or commitments.

- **Confidentiality**

Both parties agree to maintain the confidentiality of any proprietary or sensitive information shared during the course of this collaboration. This includes, but is not limited to, technical data, business strategies, and student information. The confidentiality obligation will survive the termination of this MOU.

• **Dispute Resolution**

Any disputes arising from this MOU will be resolved amicably through mutual discussions. If a resolution cannot be reached, the dispute will be referred to arbitration in accordance with the laws of [insert Jurisdiction].

• **Amendments**

This MOU may be amended or modified only through a written agreement signed by authorized representatives of both parties. Any amendments will take effect from the date specified in the amendment document.
