STUDENT FEEDBACK ANALYSIS REPORT

FOR THE ACADEMIC YEAR: 2020-2021

STUDENT FEEDBACK ON CURRICULUM

OBJECTIVE OF FEED BACK:

VITW aspires to offer quality education and lively atmosphere to encourage college students to achieve their educational endeavours. VITW implements a robust mechanism to enrich the curriculum by conducting other activities like Remedial Classes, Industrial Visits, Guest Lectures, Workshops and Student Development Programs.

Stakeholders, i.e., College students, teachers, and employers play a crucial role in the appraisal, enhancement and enrichment of the quality of this learning process. Hence, the institution collects and analyzes the feedback from all stakeholders, i.e., College students, teachers, employers and alumni every academic year on curriculum/syllabus to assess its service strategies and to make suggestions to concerned authorities for further action.

STUDENT FEEDBACK ON CURRICULUM:

The purpose of the Student's Feedback on Curriculum (SFC) is to gather formative student feedback that can be used towards the enhancement of course design and delivery and also for student learning experiences. During the current academic year, 2020-2021, the college collected feedback from approximately 57 students from various streams. The data is collected and their recommendations are considered for possible inclusion in the curriculum.

ANALYSIS:

In the present academic year 2020-2021, the institution collected around 57 student feedbacks from of all the branches of Engineering and MBA courses. The data is analysed and their suggestions are considered for probable implementation of curriculum delivery.
