ACTION TAKEN REPORT FOR THE ACADEMIC YEAR 2023-2024

STUDENT FEEDBACK ON ACADEMIC PERFORMANCE AND INSTITUTION AMBIENCE

VITW is affiliated to JNTUK, KAKINADA and the college conforms to the academic curriculum designed by the board of studies at the University. Board of studies restructures and frames curriculum by taking suggestions and remarks from the principals of affiliated colleges through conducting meetings before designing the curriculum.

Every year, Institution obtains feedback on the curriculum design and development academic performance and institution ambience from various stakeholders. The feedback is summarized and analyzed at the college academic meetings in the institution. In view of the feedback requirements, institution planned as follows:

1. To enhance experiential learning of the students by making every student to interact with the industry personalities through industrial visits.
2. To increase exposure to students regarding various ICT tools and E-learning facilities.
3. Students were encouraged to work on projects related to the most recent lesson which will allow them to study autonomously.
4. After observing least response for grievances redress, institute decided to conduct redress of grievance cell twice in a semester.
5. To arrange workshops by eminent academicians and industry experts to make students in align with the latest technologies.
6. To adopt a new procedure for makeup and remedial classes for slow learners to increase their presentation skills.
7. To incorporate extracurricular activities such as, yoga and Swachbharat into the students' curriculum to promote overall development.
8. More of industrial visits and field visits are conducted now. Also teachers are asked to undertake more experiential teaching learning process. Teachers are also using PowerPoint presentations for enhancing teaching learning experience.

Recommendations regarding curriculum are conveyed to the University by the Principal through attending meeting in the University.
