VITW aspires to offer quality education and lively atmosphere to encourage collage students to achieve their educational endeavours. VITW implements a robust mechanism to enrich the curriculum by conducting other activities like Remedial Classes, Industrial Visits, Guest Lectures, Workshops and Student Development Programs.

Stakeholders, i.e., College Students, Teachers, and Employers play a crucial role in the appraisal, enhancement and enrichment of the quality of this learning process. Hence, the institution collects and analyzes the feedback from all stakeholders, i.e., College Students, Teachers, Employers and alumni every academic year on curriculum/Syllabus to assess its service strategies and to make suggestions to concerned authorities for further action.
